BEN ■ MEMORIES

BALD EAGLE-NITTANY HIGH SCHOOL

MILL HALL PENNSYLVANIA

FOREWORD

These are your memories for the school year of 1967-1968. BEN Memories for this year is not a typical yearbook, but the year it is recording was not a typical one either. Yearbooks generally contain neat sections for clubs, sports, and smiling faces, but this year, we have tried to go deeper and more realistically into our school life.

After the loss of the U.S. Pueblo ship, two successful assassination attempts on two of our leaders, Dr. Martin Luther King and Robert F. Kennedy, and with the Vietnam War still unsolved, only to mention a few events of the year, we realize that nothing can be represented in neat, reasoned packages.

We have chosen Miss Julie Taggart to go along on our tour of the school year. She will be seeing the school, the administration, homeroom friends, the senior class, and a football game at which she will also see the Band and the Cheerleaders. Julie will see and learn about clubs, meet other classes, witness other sports, special events, and just ordinary days of school.

By taking Julie through this school year as it happened, it is our hope that Julie returns to Australia, she can hold up this book with pride and say, "This is where I went to school - read it, and by doing so, I think you will better understand Bald Eagle-Nittany and America."

JULIE TAGGART

"I have learned that you must be willing to meet people and accept them exactly as they are." Julie Taggart said these words during her farewell speech to the school, after a year of many new experiences. Julie also feels that being chosen to stay in this area with the William Kessingers was lucky, as she thinks Mill Hall has much to offer, particularly friendship.

After her year here, during which she was a member of several groups and gave many talks, Julie will return to her home in Melbourne, Australia. When she graduates from high school in November 1969, she hopes to study at one of Melbourne's three universities and then enter the Social Services and help look after destitute children.

... DEDICATION ...

SIRI KESSINGER

"It was my aim by this year abroad to contribute to the efforts of international goodwill and understanding with other countries of our world, to live among the people of Europe experiencing their way of life, and to inform them of our life in America." By using the thoughts and words of Siri we thought we could best convey to you the meaning of her senior year abroad.

While enrolled in the academic course at BE-N, her many activities were as follows: 9th grade, Pep Club, Chorus; 10th grade, Pep Club, Blazers, Speech Club; 11th grade, F.T.A. (Vice-President), Miss Irresistible; 12th grade, Rotary Foreign Exchange Student to Sweden.

While residing in Vasteras, she attended Rudbeckianska Gymnasium (school) and belonged to the International Club. Siri is an honorary member of the Pupil Council and was chosen class Lucia queen for the Swedish holiday Lucia on Dec. 13. During the year, Siri visited Russia, England, Denmark, Germany, Switzerland, Italy, and France.

Siri plans on attending the University of Indiana in Pennsylvania majoring in English and Speech.

WE DEDICATE THIS BOOK TO . . .

Miss Julie Taggart and Miss Siri Kessinger - two "sisters" who are working towards a better world. "If only our elders could take an example from us - seeing how we can get along no matter what color we are or what religion we believe in, maybe the world wouldn't be in the state it is in today," is how Julie feels. It is the staff's hope that by presenting some of these two girls' ideas it can help others to do the same.

Julie being welcomed by Mr. Adams.

"Hello, America"

"I wonder what it's like here?"

ADMINISTRATION

The administration is made up of the principals and secretaries who have the gigantic chore of running the school.

These people act as a go-between, between the school personnel and the parents. They must oversee the students and the teachers--they must take care of the attendance of students, make up schedules, and coordinate all the activities of the school.

There are many jobs for the office personnel that mean a great deal to the students. Forgotten gym class apparel, books, and lunches often adorn the office counter after the parents have brought them. Students are often seen in the office borrowing lunch money.

These people provide an immeasurable service to the school and students.

BAND

The Bald Eagle-Nittany High School band members enjoy the opportunity to broaden their musical talent by participating in half-time activities at football games, pep assemblies, area parades, the spring concert, and graduation exercises.

Meeting twice a week under the direction of Mr. Howard Lamey, the band members work hard to develop their musical skills.

The band and majorettes play and twirl at the gym show. When the school term ends, the band is still not done. Yearly trips to Rebersburg, the Centre Hall Grange Fair, and other local places for festivals and engagements are also made.

DANCE BAND

This year, a new group was instituted by Mr. Lamey. Several band students requested that a small group be formed in which they could play music differing from the regular band scores. Thus, the Dance Band was formed. Playing along the Les Brown style, the band has entertained at events such as the Annual Band Banquet, at which recognition is given to the seniors and the juniors receive their letters, and the Senior Banquet.

DISTRICT CHORUS

In November, six selected members of the Blazer Choir represented BEN at the District Chorus Festival, this year sponsored by Loyalsock H.S.

After auditions, ten people from each voice class were announced as to their place. Barbara McLean rated first for the Soprano II Class and Chris Sample placed seventh in the Alto II section.

After three enjoyable days of practice, concerts, a ball, bowling tourney, and a banquet, our six representatives returned.

Under the direction of Mrs. Boyer, the Blazer Choir meets Mondays and Wednesdays to practice for the events at which they perform.

The Blazers put on a choral Nativity and joined with the band to present the Spring Concert.

Money raising projects, such as a dance, are held to pay for the tan and red jackets, as well as to provide funds for such things as the Leonard Maughner Fund.

KEY CLUB

A servicing organization not only at our school but, throughout the community is our Key Club.

Only senior high boys with an eighty-five or above average are eligible for a nomination into this club. Out of this group of eligible boys, the present members of the Key Club elect certain new members. Each year, students wait for the yearly initiation of new members. Rain hats, buckets and baby dolls do not portray the quality of these boys or the honor they have received, but the students realize these boys are "doers". Among their many services are raising money for worthy causes, helping to direct traffic at home football games, collecting the morning absentee slips, raising the flag daily, and having their yearly dance.

The student body of Bald Eagle-Nittany would like to congratulate the Key Club for their outstanding services to their school and community.

NURSES' CLUB

The Nurse's Club, sponsored by Mrs. Bowes, is for girls who plan a career in the medical field. Their meetings consist of making preparations for trips and discussing things about nursing. This year they had a bake sale to raise money for a trip to Danville and Geisinger Hospitals.

Several times during the school year, the Paper Panther, our school newspaper, published by a group of hardworking students, arrives.

To ready a newspaper such as this, articles must be assigned, written up, and typed. Before it is sent to the publisher, it must be carefully proofread as it will be printed exactly as sent. Wednesday meetings are a busy time to arrange this.

The newspaper is always looked forward to since rundowns are given on club activities, students, student teachers, and special school events.

The newspaper is financed by the sale of ads, a dance, and the sale of papers. This year, a bake sale was held and the money was donated to the Leonard Maughmer fund.

NEWSPAPER CLUB - ROW 1, SEATED L. to R.: Debbie Springer, Susan Renninger, Abbe Welch, Florence, Barb Knarr, Mona Hills, Gary Harris. RADIO CLUB

The Radio Club is sponsored by Mr. Kask.

The purpose of the Radio Club is to train and pursue a course of study and activity in the Amateur Radio Service as a hobby.

Weekly meetings consist primarily of practicing the Morse Code, discussing Amateur Radio and constructing communication projects.

RADIO CLUB OFFICERS - L-R: Mr. Kask, Advisor; Jack Glance, Vice-Pres.; Terry McLaughlin, Sec.-Treas.; Don Campbell, Pres.

RADIO CLUB - L-R: Mike Glantz, Keith Rupert, Greg Martin, Richard Kitchen, Richard Thompson.

AUDIO VISUAL

The Audio-Visual Club under the supervision of Mr. Jerry Weigle, plays a very important part in the Bald Eagle-Nittany High School. The boys work together to help the teachers of the school with movies, overhead film projectors, and record players. These boys meet twice a week to discuss the services of the previous week and plan for the following week. The officers of this club are President, Ken Quiggle; Vice President, John Reish; Secretary, Jim Rhine; Treasurer, Roger Falls.

L-R: Mr. Weigle - Advisor; Keith Thomas, Ken Quiggle, Roger Falls, Jim Rhine, John Reish.

AMERICAN FIELD SERVICE

A.F.S. OFFICERS: Mrs. Dotterer, Adult Chapter Advisor; Beth Heieman, Pres.; Susan Bossert, Treas.; Patty Brungard, Sec.; David Koch, V.-Pres.; Mrs. Sente, Student Chapter Advisor.

The American Field Service, sponsored by Mrs. Sente, works hard every year to bring an exchange student to B.E.N. They sponsor a dance, have bake sales and book sales to raise money.

The Pantherama, a talent show sponsored by the A.F.S., is another project. Any student in the school that wishes to participate, as well as the members of the A.F.S. are the performers.

Although an A.F.S. foreign exchange student did not stay at B.E.N. this year, the group took our Rotary Exchange Student Julie Taggart under wing.

GIRLS' GYM CLUB

Girls who are especially talented in further developing their gymnastic skill join the Gym Club. By doing this, they receive more help from their advisor, Mrs. McConnell, and the other girls who have had more experience. As the Boys' Gym Club does, they also look forward to the Gym Show.

YEARBOOK BUSINESS STAFF

"Would anyone like to buy a Yearbook?" was a phrase often uttered by Bob Kramer.

Many hours were spent at the typewriter by the business staff.

The Business Staff keeps the Yearbook in the "black." By selling advertisements and books, the Yearbook is financed.

This staff does the typing and arranging of the advertisement section and also finances the Yearbook Dinner.

STUDENT COUNCIL

A great asset at BEN is the Student Council. This student governing body helps the school in many ways. Its members control traffic in the halls, take charge of seating at the assemblies, and take effective care of the lunch lines.

The Student Council and Key Club held a March of Dimes Dance with the profits going to the March of Dimes Fund.

They also have a small committee working on revising and updating the Student Handbook.

By sponsoring hoagie sales and holding a tag day, the Student Council was able to make contribution to the Leonard Maugmer fund.

FTA

Future Teachers of America is an important organization in our school. As chartered members of the F.T.A., each student is looking forward to his teaching career. To get a sample of actually being before a classroom, each member has the opportunity to actually participate in the elementary schools. Some also help with the Head Start Program. In honor of the senior members, the remaining members purchase F.T.A. charms and pins.

Nominations for membership for the Honor Society consists of students who possess four virtues, scholarship, leadership, character, service and an 88 average or above. The faculty then votes for the eligible students and a certain percentage of each class is admitted.

During the year the H. S. sponsored the Mr. and Miss Irresistible contest, in which votes are placed at a penny each. They also donated to the Leonard Maughmer fund and helped with Lock Haven High Schools initiations to their Honor Society. A trip to Hershey with the Student Council was also taken.

This year, a $50 Savings Bond was awarded to Diane Moyer for service to the Honor Society.

TV CLUB

The T.V. Club is one of the most important clubs at Bald Eagle-Nittany. These boys have been trained to tape and record certain educational programs which teachers may request to be seen at a later date.

Certain schedules are made for these boys to follow. They may have to arrange for a television to be moved to a certain room for a program which has already been taped or they may have to tape and record special requested programs.

These members of the T.V. Club have helped to broaden our world of education in an entertaining way.

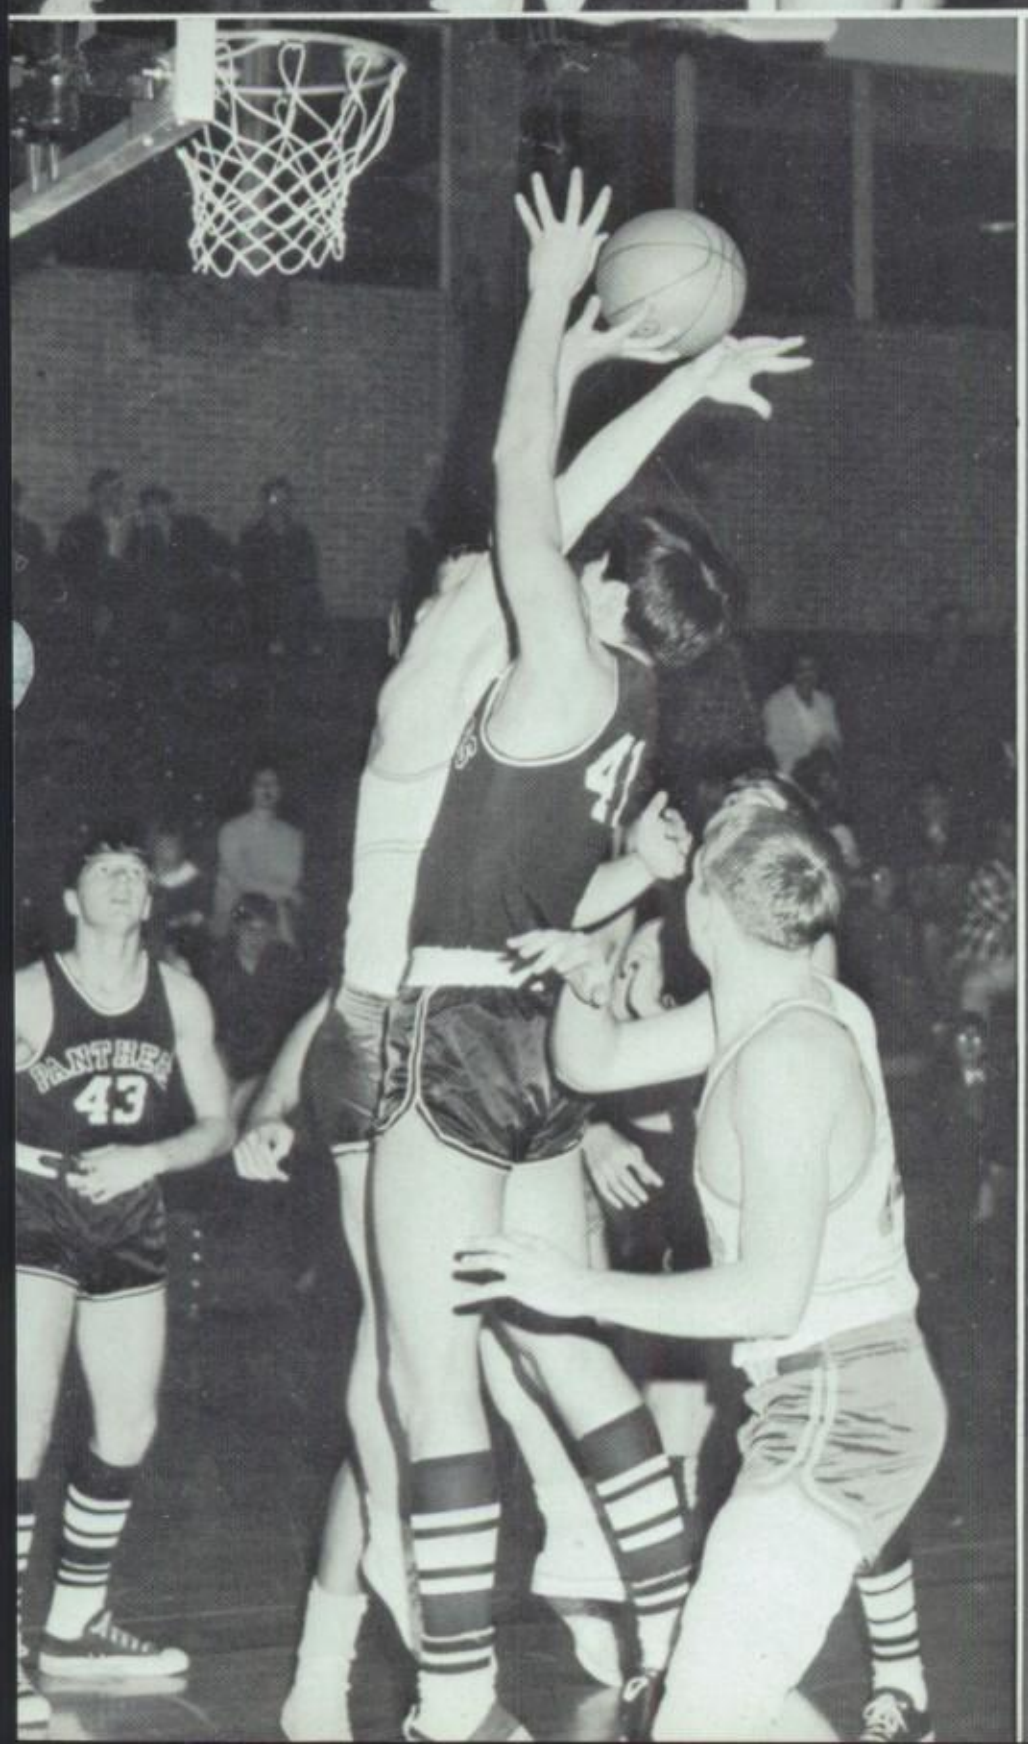
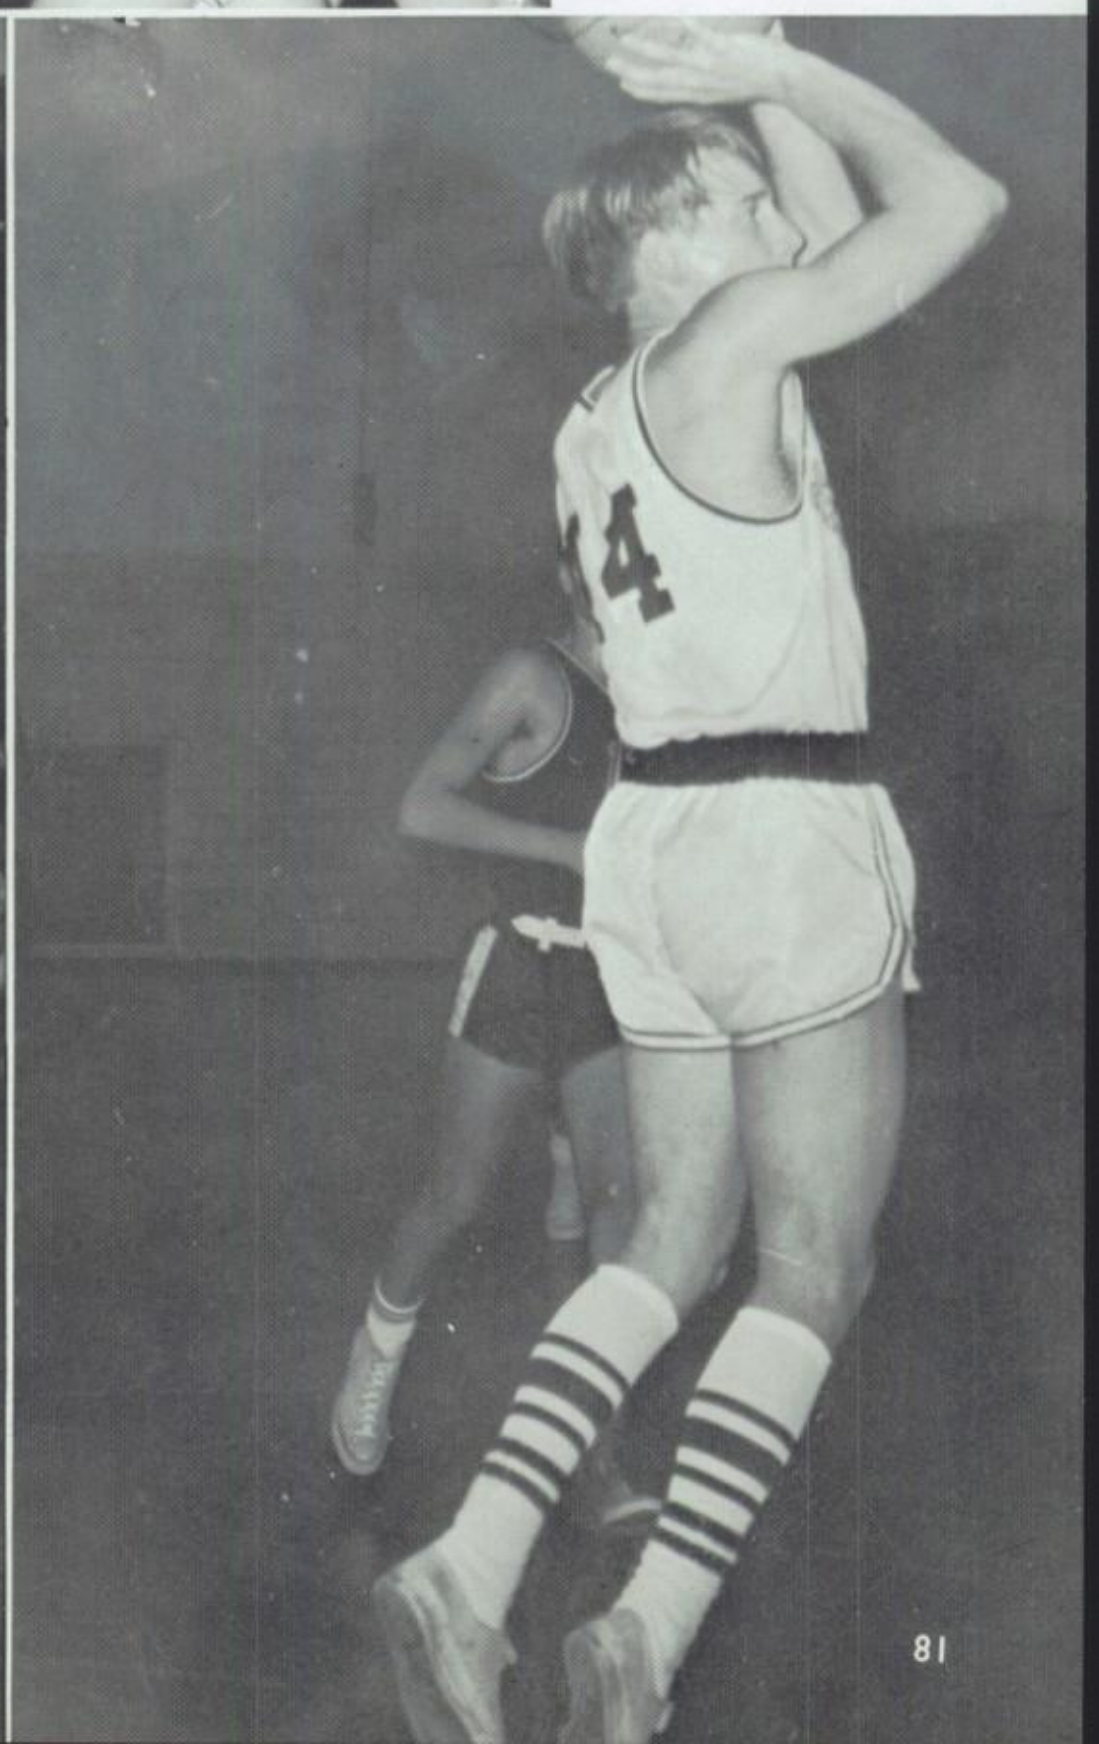
GAME ACTION





WRESTLING

Under the direction of our new wrestling coach Mr. Long, our wrestling team had a season of wins and losses. Although it was not what one might call a successful season from looking at the scores, the season was a highly successful one in which the boys learned not only the rules of wrestling, but the true basis and cause for sports - good sportsmanship.

Although student support at games left much to be desired, the boys kept up their morale and stayed out for the entire season.

The school will miss the seniors, but the students are also looking to next year and Mr. Long's "comers."

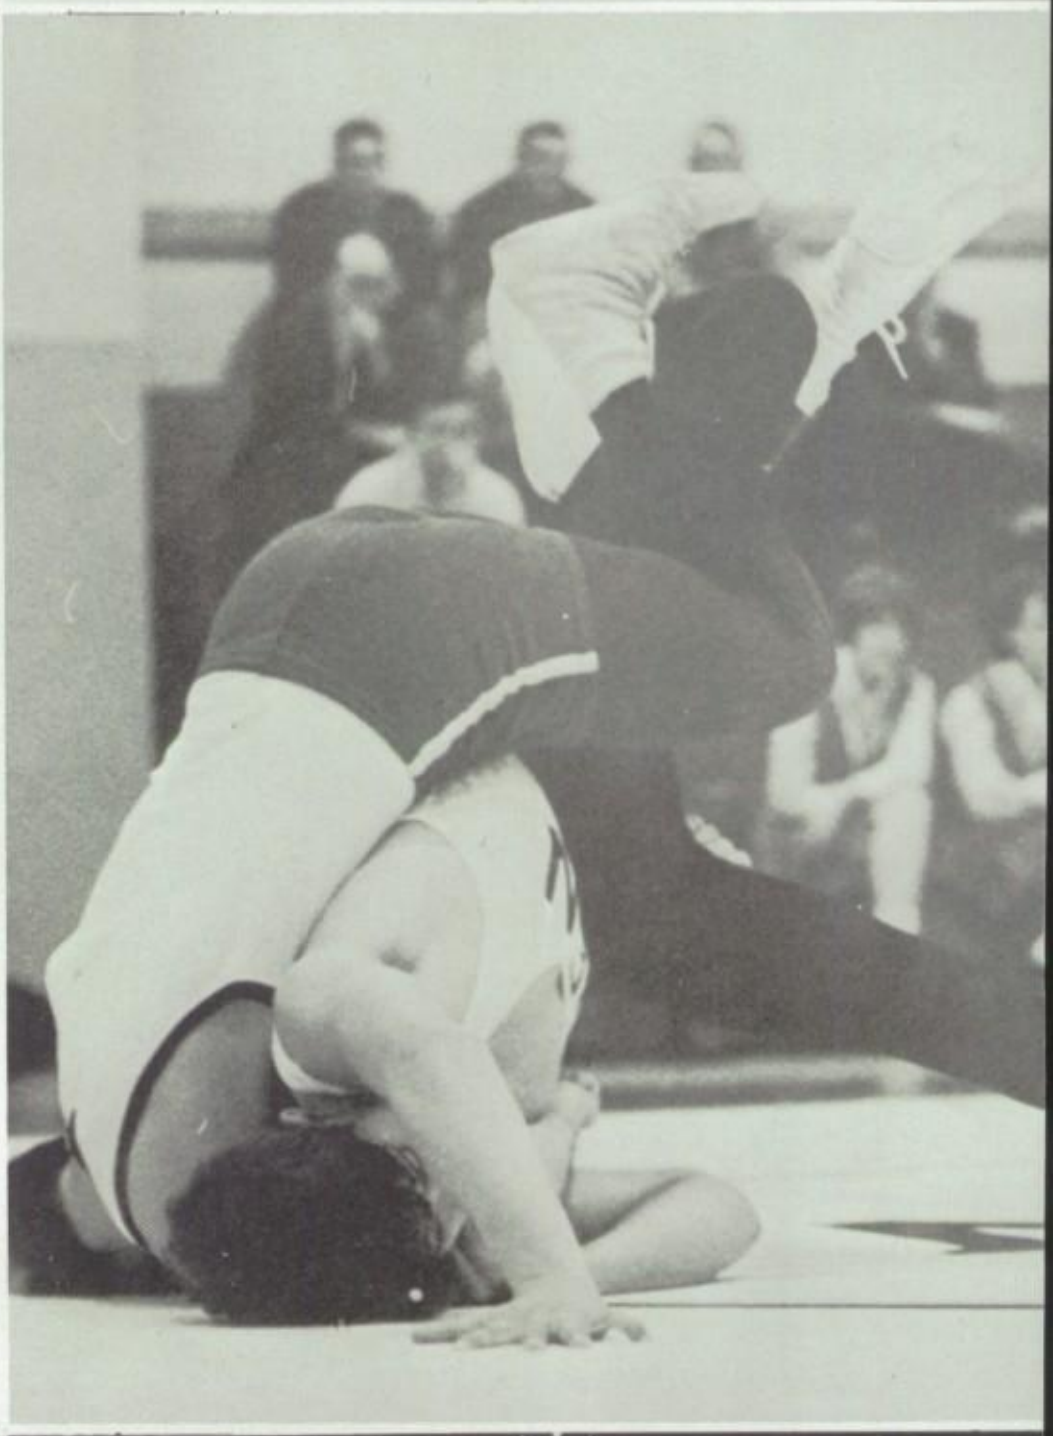
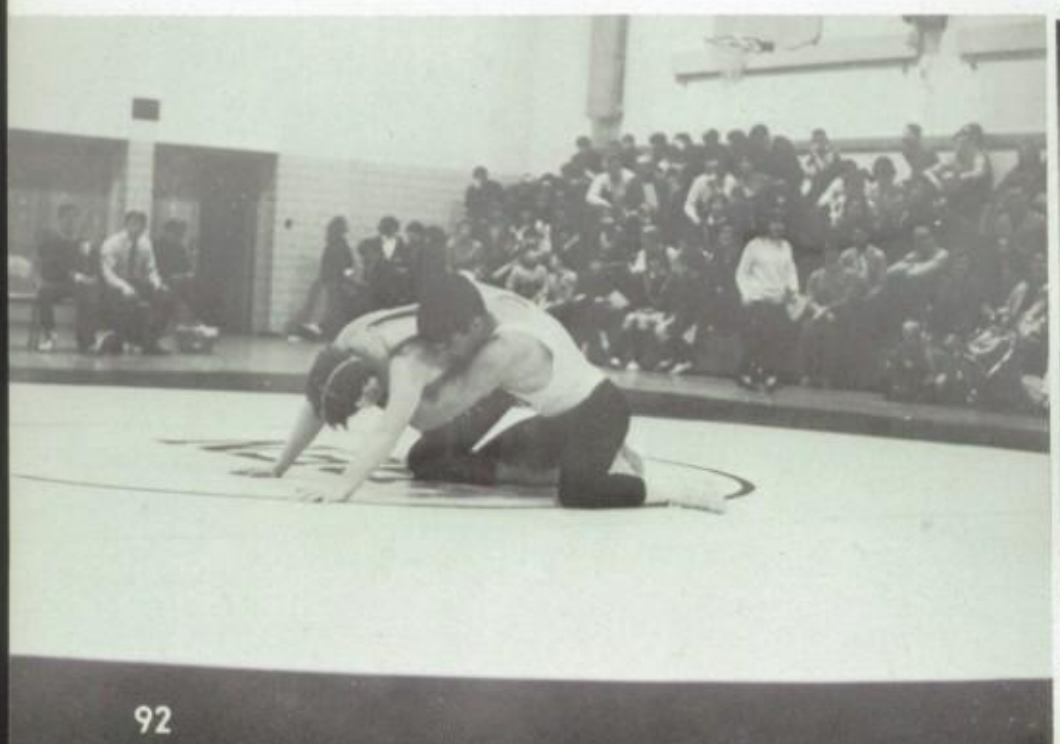
Mrs. Cree's Speech Classes--WELL!!



WRESTLING ACTION



A.F.S. PANTHERAMA

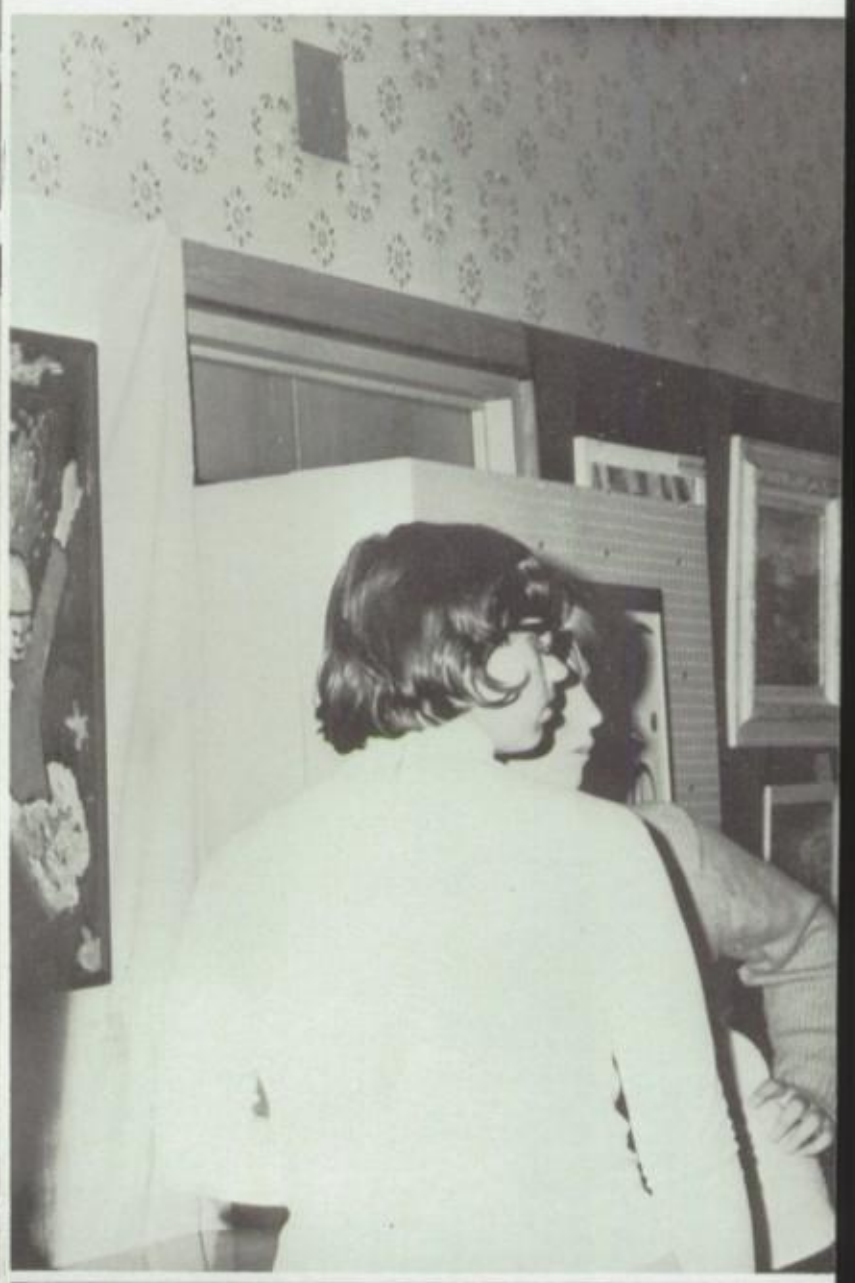
In March, the A.F.S. sponsored their 3rd annual Pantherama. Masters of ceremonies Ed Brungard, Ralph Dotterer, and Dave Koch introduced the many piano solos, the Junior High Choir, the Five of Eight, a new popular group, folk song groups, and other performers with much skill.

As an end to the show, the Blazers sang, "Let There Be Peace On Earth." a very meaningful song to everyone, besides the A.F.S.

ART SHOW

On a March weekend, the Friends of the BEN library held an art show.

On Friday, each English class was taken to the library to see the exhibit of modern, realistic, and impressionistic works. Metal jewelry, paintings, and woodcraft displayed the talent of the local artists.



GOLF CLUB

The Golf Team, coached by Mr. Sohmer, was started the year before last.

This year the mainstays of the team were Neil Conklin, Greg Snyder, Ed Buttorf, and Dave Cree. Also playing matches were Dave Butler, John Johnsonbaugh, Charles Rine, Dave Williams, and Boy H o y. The team's record this year was 3-6.

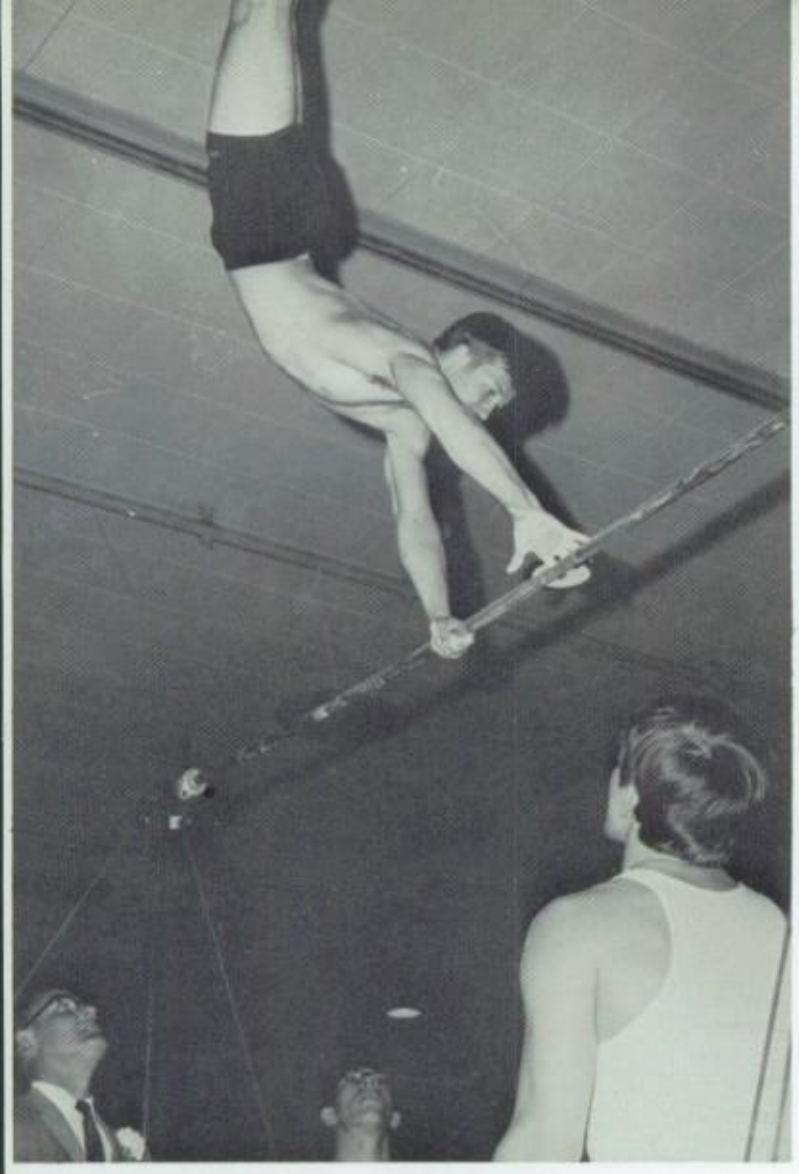
ROW 1: Chuck Rine, Neil Conklin, Mr. Sohmer. ROW 2: Bob Hoy, Greg Snyder, Dave Cree, Ed Buttorf.

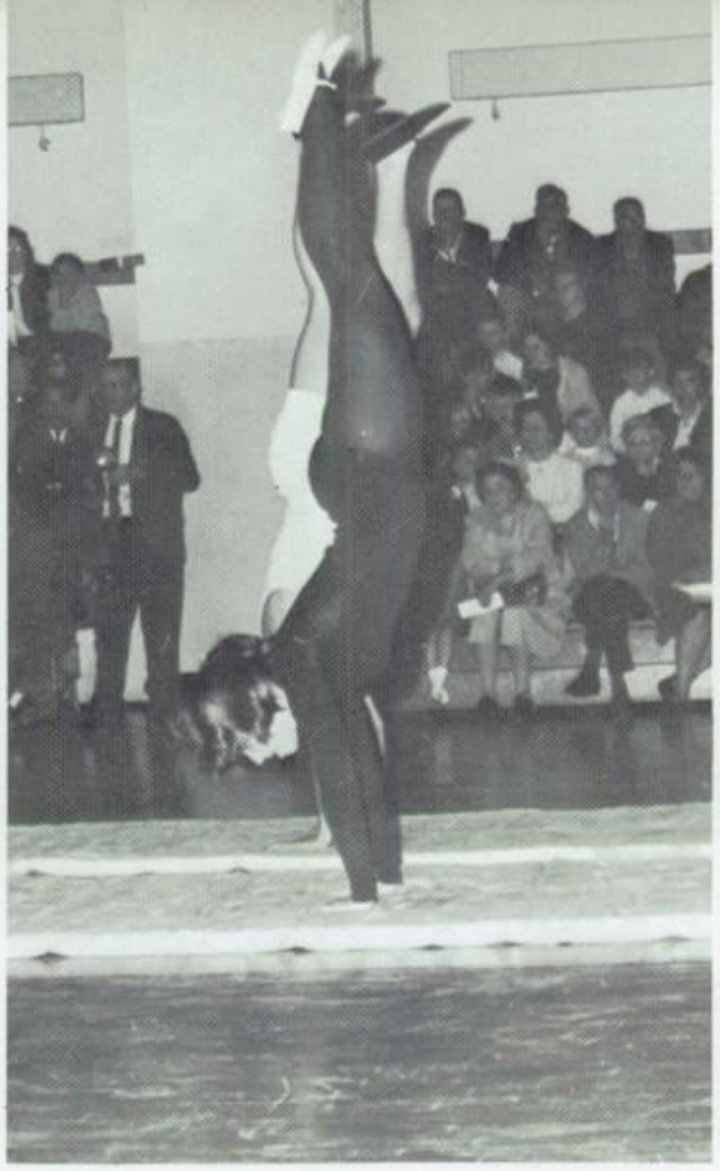
CONTESTS DOMINATE THE SCENE . . .

At the first West Branch Majorette Contest, held at Hughesville, our girls, after many hours of planning and practice won second place. Montoursville, who had sponsored the Cheerleading Contest the evening before in which our cheerleaders participated won first place.

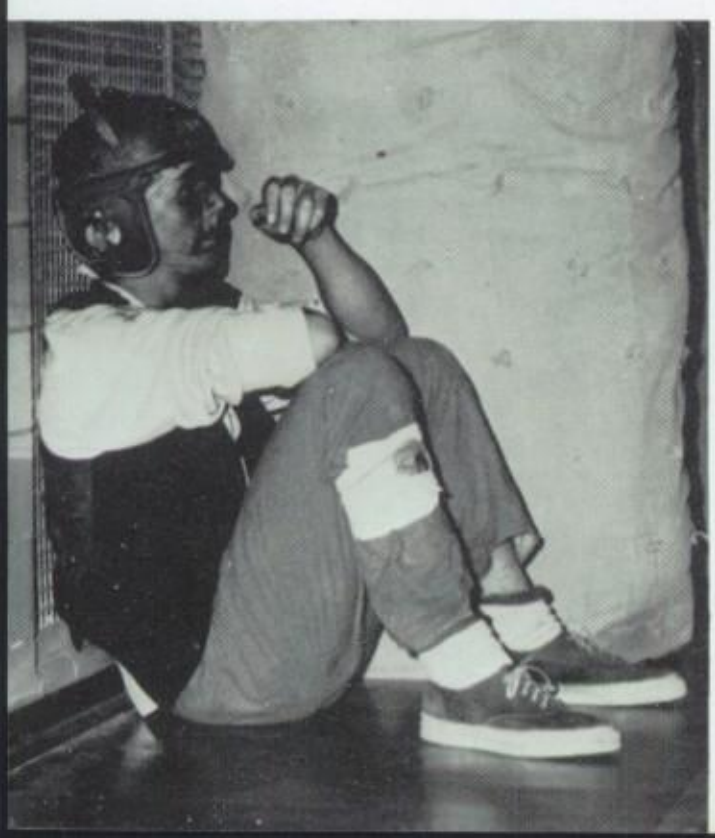
L-R STANDING: Dorothy Whitmire, Jean Stover, Barb Wian, Christy Sample, Sherry Phoenix, Ginger Gillen. L-R KNEELING: Deanna Kinley, Susan Haines, Linda Neff, Patty Daniels, Bonnie Douty, Sandy Fulger.

GYM SHOW





Hard days of practice ... worried faces before the start ... anxious moments as boys use the Swedish box ... eyes of admiration for the stunts ... loud rounds of applause for a show well done.



"THE RAIN, THE PARK, AND OTHER THINGS"

The Sophomore Hop was indeed a special event. The main colors were dark green, light green, and baby blue, a bridge, swing set, and fountain were used for decorating the gym. The Licorice Trolly Cars provided the music for the evening.

WIZARD OF OZ

This year's Dramatics Club got a late start but made up for it with enthusiasm. Under the direction of Mrs. Pat Cree and Mr. Richard Sigmund, the club put on a version of the Wizard of Oz. It was the first time a children's theater was attempted at BEN but it proved to be successful by the laughs from the children of the surrounding area schools. Many hours of hard work mixed with a little fun makes being a dramatics club member a very rewarding experience.

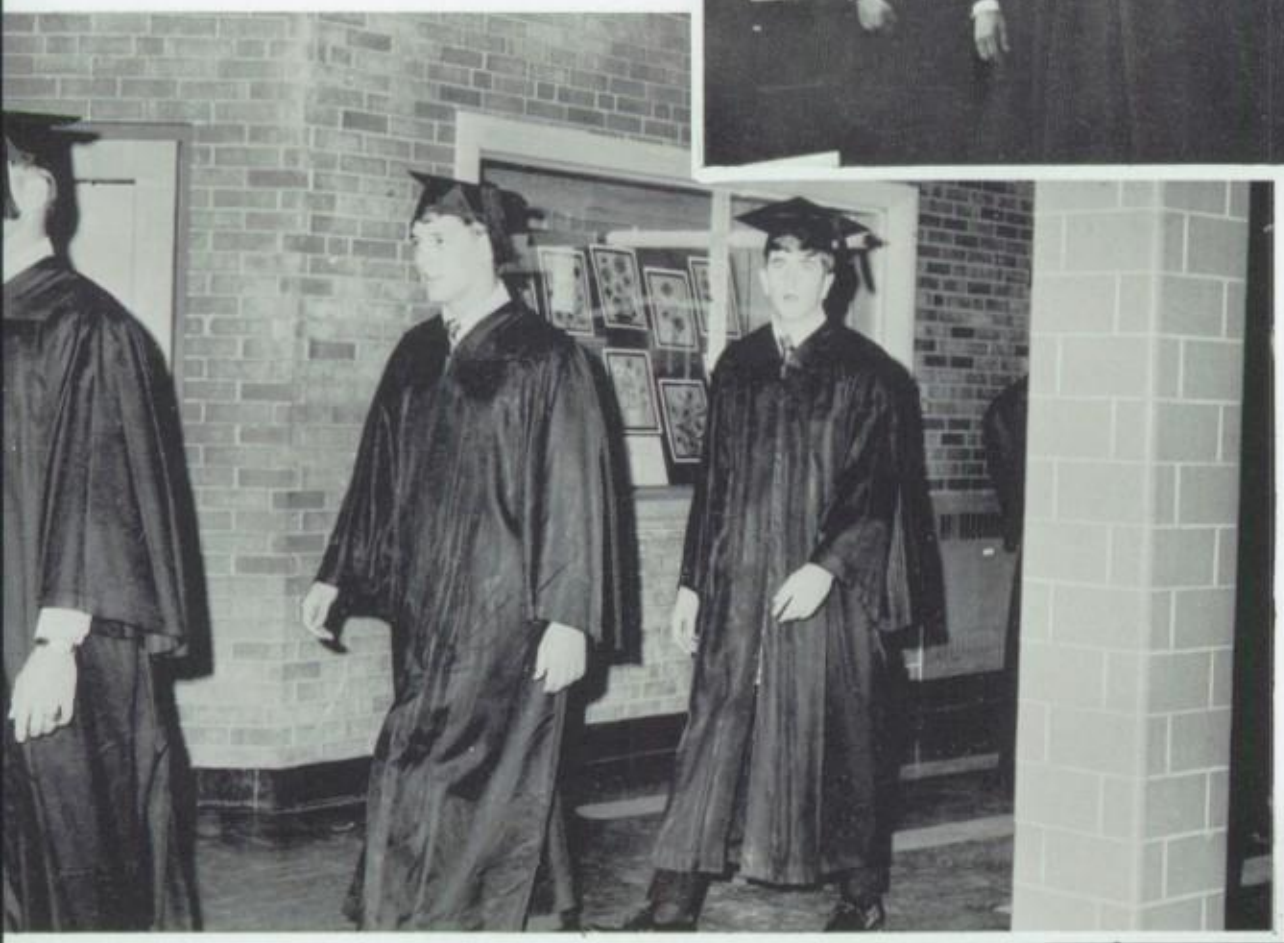
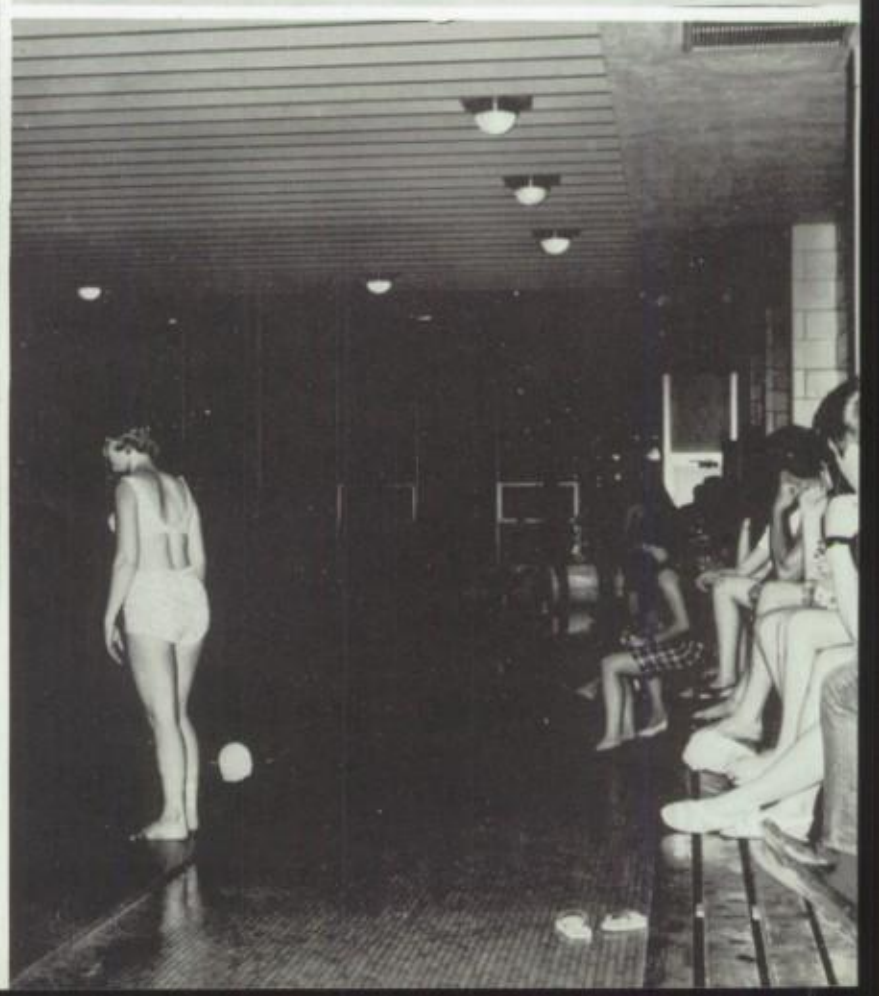
EVENING IN PARIS

Sidewalk cafes ... lamp posts ... checkered tablecloths and wine bottles ... music by the Starlighters ... all ended the Junior Prom by the stroke of twelve.

GRADUATION MOMENTS . . .

Waiting to go in ... tears as the organ starts ... speeches, one by our Valedictorian Marcia Conway ... "I now present" to you the class of 1968" ... knocking of Terry Allen's ring as a signal for hats ... finally holding those diplomas ... triumphant march out with the presentation of a pink rose ... off with caps and gowns ... to the All Night Party at the Y.M.C.A.





A DEDICATION TO LEONARD MAUGHMER

Who is Leonard Maughmer? "Lenny," as called by his friends, suffered a blood clot last fall while in ninth grade. He is now severly disabled. Yes--we have and must keep a dedication to Leonard Maughmer. Throughout the year donations have been made to him, but we must not stop here. In somwhat out of the order of the year, we present to you snaps of the Benefit Leonard Maughmer Game which was held a few weeks before school was out. It is with Yearbook Staff's sincere hopes and prayers for a better recovery that we dedicate the Junior High Section of the Ben Memories to him.

Hey! Thanks a million for sending me your picture. Many times during the past month I've looked at your picture and wished that I could be with you. Gee, it seems like almost a year since I've seen you, because I've been so busy with the Navy that I haven't had time to write. Honestly I don't know how I've managed to get along without you. Maybe you can get a leave soon. Hope so. Will be looking forward to it. Love Skip
